ISE 582  Information Technology for Industrial Engineers Fall/2001
Assignment 2: No need to turn in, but try by 13 Sep 2001.

Try your “first cup of java,” following the instructions at
http://java.sun.com/docs/books/tutorial/getStarted/cupojava/index.html
to create your first java program and first java applet.

The instructions on this page will help you set up a Java compiler on your own computer, as
well as lead you through writing and compiling a simple Java program on either the PC, Mac or
UNIX platform.
